29th of May, 2009

To All EDPL Club Presidents,

The Roomers Pool Club is proud to host and would like to invite all clubs to participate in the EDPL's Lance Sheen Perpetual Singles Trophy 2009. It is to be held on the Sunday the 12th of July, 2009 at the Pool Room, please see the attached Flyer for more details.

As we have said in past years, we believe that all clubs should support this trophy as it is an important event on the EDPL calendar (not to mention a fun day). It will be run as a double elimination format so all players are guaranteed at least two matches.

All clubs have a set allocation of players they can enter; it is 1 per team in the EDPL plus 1 extra club player. So for example the Stamford Pool Club has two teams in the EDPL (1sts and 3rds) so they can enter 3 players into the trophy. We will also take names for extra emergency players if there are spare spots in the draw. These will be allocated in the order that players were entered. They will be informed of this after the close of entry.

Entries Close on Monday the 6th of July, 2009 and will only be accepted from an executive member of a club. All late entries will only be considered if there is still room in the draw. We would ask that if possible all clubs could get there entries in as soon as they can so we can organise the day as easily as possible. I hope that all clubs participate in the trophy and make it a fun day for all.

Yours Sincerely,

Mark Simcox

President

The Roomers Pool Club

ARE PROUD TO HOST
