15<sup>th</sup> February, 2010

Dear EDPL Members,

Claude Welson and Sally Keast, EDPL Executives, will be starting a junior pool program in March this year, 2010. This will be held at Rack-em-up Pool Hall, Lilydale every Sunday afternoon at 1:30pm. (excluding, School Holidays).

We would like to invite EDPL member's children, grandchildren, nieces or nephews (any children) that may like to be involved, to join this program. An information sheet is also attached.

We would also like to call on any members that may be interested in donating some time to coach at this program, we are not asking for a weekly commitment, just a Sunday here and there. If you are interested you would need to complete a working with children check, which is free of charge when doing voluntary work, such as this. Forms will be available from the EDPL office, Sally Keast and Post Offices.

If you are interested, please contact Sally Keast, [sallykeastedpl@gmail.com](mailto:sallykeastedpl@gmail.com) or the EDPL office with children's names, ages and contact details; or if you would like to do some coaching: or even if you have any questions.

Kind regards,

Claude Welson (1<sup>st</sup> Vice President)  
Sally Keast (Statistician)
