Format

The session will start with some coaching, then competition play, followed by social pool after the session if families would like to (at no charge).

We are hoping to have at least 10 to 12 teams of 3 or 4 players.

A one frame format similar to the EDPL summer format will be used. (If restricted to two players per team, the format will be 3 frames against each opponent and possibly 3 frames of doubles as well.) The season is anticipated to run for 11 weeks, plus finals.

Presentation

At the end of the season a presentation will be held where all participants receive a medallion or trophy, with the winners and runners up receiving larger trophies.

Dress Code

The expectation of the children is that they will not wear thongs or singlets to play, T-shirts, sandals and shorts are all acceptable. For finals pants / jeans and a collared shirt be worn.
